Meet the European Experts

Over 20 leading European Tour Operators, Wholesalers, Cruise companies and Specialists have joined forces to bring you the best of Europe under one roof.

These 'Euro Travel Experts' are professional, European travel specialists who have joined their expertise and energy to display the widest range of products available on the market at the European Travel Expos to be held in Sydney, Melbourne and Brisbane.

In support they have been joined by a number of wonderful European tourist offices, international airlines and travel insurance providers.

Many exhibitors are not large or impersonal companies. You'll find highly trained staff with considerable, practical European experience who will not only be able to directly answer all your questions but also provide you with sensible planning, travel hints and advice. You will also get a much clearer picture of what is available as they often offer better value, extra services and distinctly different ideas and products to those offered by the big, main stream companies.

So come to the European Travel Expo and let the Experts show you how to better fulfil your travel dreams.
